

# Superior Watershed Partnership

## Energy & Climate Office

# MI IMPACT PROGRAM

## WHO IS ELIGIBLE?

Households with incomes between 151-300% of the Federal Poverty Level may be eligible for Heat and Electric assistance, pending Income Verification and completion of Program Requirements.

Household Size	Min. Income	Max. Income
1	\$1883	\$3,765
2	\$2,556	\$5,110
3	\$3,228	\$6,455
4	\$3,901	\$7,800
5	\$4,573	\$9,145

## MONTHLY INCOME LIMITS FOR MI IMPACT

Households who are over assets for State Emergency Relief may also qualify for Heat and Electric Assistance through MI Impact Funding.

## WHAT IS IT?

**MI Impact** provides assistance for households who have traditionally not been eligible for utility assistance. This assistance can go toward Heat, Electric, and Water & Waste expenses.

A one-of-a-kind COVID-19 relief program, aimed at addressing the needs of the **ALICE** population (**A**sset **L**imited, **I**ncome **C**onstrained, **E**mployed), who earn too much to qualify for most state assistance programs, but are still one missed paycheck away from crisis.
