Subject: RE: Country Mile Document Destruction

Hi Tara,

No worries at all! I can completely understand cellphone issues because we get horrible reception in our building as well. As far as the more immediate pickup that you are looking for, we are back in the Ishpeming area on Wednesday, January 21st. Depending on how much you have that needs to be picked up, we can most likely add you to that pickup schedule. Just let me know if that would work for you!

When it comes to the potential for a pickup once a year, we unfortunately do not offer that option anymore. We do offer a quarterly pickup option though. This would mean that you would go onto a schedule for an every 3-month pickup. You are allowed to cancel one of those pickups per calendar year without having to worry about any charges. We could drop off the smallest bin we have, which would be the 35-gallon. Just to give you an idea of how often a bin that size fills up, we have one in our office, and I need it emptied at least once every 3 months, if not more, and I am the only full-time employee in the office.

If you don't think that would work out, we can continue with the one-time pickups. You would just need to reach out to us when you have enough accumulated and we can put you on our schedule for a one-time pickup for \$68.75 per 64-gallon. You can usually fit roughly 5 banker boxes into a 64-gallon bin. With this bin size, you can fit roughly 20 boxes of paper per year.

I have included a breakdown of the pricing and frequency options that we offer. I know that I am throwing a lot of information at you, so please don't hesitate to reach out with any further questions, and I would be happy to help!

The most common bin size used among our customers is the 64-gallon bin. On average, you can fit roughly 5 banker boxes into one of those bins. If you go with a quarterly pickup schedule with this bin size, that will mean you could fit roughly 20 boxes worth of paper per year, which is on the lower end of what you were anticipating. Since we are in the Munising area every 4 weeks, you can always reach out to us if you think you will need a pickup sooner! We are pretty flexible when it comes to pickups as long as we have enough notice.

Pricing & Bin Size:

Executive Console and 95-gallon: \$64.82

64-gallon: \$58.93- this is our most common choice overall

35-gallon: \$53.03- this is the most common choice for smaller offices/businesses

Pickup Options:

4-week

8-week

Quarterly

Subject: Country Mile Document Destruction

Hi Tara,

I received your quote request that you filled out on our website. I tried calling the number you provided, and attempted to leave a voicemail, but got disconnected somehow. I just wanted to touch base with you and see exactly what it is you are looking for in terms of document shredding. Are you looking for a one-time pickup or are you looking to get a quote on setting up a regular pickup schedule? Once I have that information, I can give you a pretty accurate quote. We do service the Ishpeming area once every 4 weeks, so getting you setup as a customer wouldn't be an issue at all! Reach back out whenever you get a chance and we can discuss things further!

Thank you,

Miranda Hanson

Re: Request for Grant of Franchise to SEMCO Energy

Dear Clerk Aho:

I am writing on behalf of SEMCO Energy Gas Company (SEMCO) to ask the Township Board to grant SEMCO a franchise to conduct business in the Township. As you may know, a franchise provides authorization for SEMCO to provide natural gas to Township residents. SEMCO currently provides natural gas service to the Township pursuant to a franchise granted approximately thirty years ago, but that franchise is expiring. I, therefore, write to respectfully ask the Township Board to approve the enclosed new franchise that will take effect when the current franchise expires.

To briefly summarize the franchise, it generally allows SEMCO the right to run pipes and other apparatus that are necessary to provide natural gas to Township residents in the public right-of-way. The franchise allows the Township Board to revoke the franchise at the Township Board's discretion (although hopefully, based on SEMCO's history serving the Township, that would be unlikely). Additionally, the franchise would not be exclusive, which provides flexibility to the Township as well.

Copies of the new franchise are attached as Tab 1. I am enclosing five (5) copies so each Township Board member has a copy. Although SEMCO has some time before the current franchise expires, for efficiency purposes, we are hoping to renew a batch of franchises in the next few months. Accordingly, if the proposed franchise is satisfactory, SEMCO requests that it be placed on the Township Board's agenda for adoption at the next Township Board meeting. If possible, please advise me when the Township Board will consider the proposed franchise.

Enclosed as Tab 2, please find a Franchise Approval Checklist, which is designed to serve as a step-by-step reference for approving and publishing the franchise. SEMCO will, of course, pay publication fees and would be happy to provide additional information or to answer any questions that the Township Board might have.

I will call you in the next few weeks to discuss this franchise and answer any questions you or other Township officials may have. In the meantime, if you would like to discuss the franchise, please call me.

**THE TOWNSHIP OF TILDEN
FRANCHISE GRANTED TO
SEMCO Energy Gas Company**

Ordinance No. _____

An Ordinance, granting to SEMCO Energy Gas Company, a Michigan corporation, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges, waterways, and other public places, and to conduct a local gas business in the Township of Tilden, located in Marquette County, Michigan, for a period of thirty years.

THE TOWNSHIP OF TILDEN ORDAINS:

Section 1. GRANT OF FRANCHISE. The Township of Tilden, located in Marquette County, Michigan (the "Township"), hereby grants to SEMCO Energy Gas Company, a division of SEMCO Energy, Inc., a Michigan corporation, its successors and assigns, (the "Grantee") the right, power and authority to construct, lay, operate, maintain and replace in the public streets, highways, alleys and other public places in the Township of Tilden, Michigan, all needful and proper gas pipes, mains, conductors, service pipes and other apparatus and facilities requisite for the manufacture, transmission and distribution of gas for all purposes to the Township of Tilden, and the inhabitants thereof, and for conducting gas elsewhere to supply neighboring cities, villages and other territories supplied with gas by said Grantee, for a period of thirty years.

Section 2. CONSIDERATION. In consideration of the rights, power and authority hereby granted, Grantee shall faithfully perform all things required by the terms hereof.

Section 3. CONDITIONS. No highway, street, alley, bridge or other public place used by Grantee shall be obstructed longer than necessary during the work of construction or repair, and shall be restored to as good order and condition as when Grantee commenced the work. All of Grantee's pipes and mains shall be so placed in the highways and other public places as not to unnecessarily interfere with the use thereof for highway purposes. Grantee will use its best efforts to not unreasonably interfere with or disrupt any public utility apparatus or facilities operated by the Township and, to the extent Grantee interferes with or disrupts any such public utility apparatus or facilities, Grantee shall restore such apparatus or facilities to as good order and condition as when Grantee commenced work.

Section 4. HOLD HARMLESS. Grantee shall at all times keep and save the Township free and harmless from all loss, costs and expense to which it may be subject by reason of the Grantee's negligent construction and negligent maintenance of the structures and equipment hereby authorized. If any action is commenced against the Township resulting from Grantee's negligent construction and maintenance, Grantee shall, upon notice, defend the Township and save it free and harmless from all loss, cost and damage arising out of such negligent construction and maintenance.

Section 5. FRANCHISE NOT EXCLUSIVE. The rights, power and authority herein granted, are not exclusive. Either manufactured or natural gas may be furnished hereunder.

Section 6. RATES. Grantee shall charge for gas furnished the rates, charges and special taxes as approved from time to time by the Michigan Public Service Commission, or its successors having authority and jurisdiction to fix and regulate gas rates and charges, or as otherwise permitted or required by applicable law or tariff, for the term of this franchise. Such rates shall be subject to Commission review and change at any time upon petition therefore being made by either said Township, acting by its Township Board, or by said Grantee.

Section 7. REVOCATION. The franchise granted by this ordinance is subject to revocation upon sixty (60) days written notice by the party desiring such revocation.

Section 8. MICHIGAN PUBLIC SERVICE COMMISSION JURISDICTION. Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the reasonable rules and regulations of the Michigan Public Service Commission or its successors, applicable to gas service in said Township and shall provide service in accordance with the terms and conditions set forth in its applicable tariff as approved from time to time by the Michigan Public Service Commission or its successors.

Section 9. SUCCESSORS AND ASSIGNS. The words "SEMCO Energy Gas Company" and "SEMCO Energy, Inc.," wherever used herein, are intended and shall be held and construed to mean and include SEMCO Energy Gas Company and its parent, subsidiaries, successors, affiliates, and assigns, whether so expressed or not. The word "Grantee," wherever used herein, is intended and shall be held and construed to mean and include SEMCO Energy Gas Company, SEMCO Energy, Inc., and the successors and assigns of each, whether so expressed or not. Grantee may assign the rights and obligations under this agreement as long as the Grantee provides prior written notice to the Township of any such assignment.

Section 10. FORCE MAJEURE. The Grantee shall not be liable for failure to furnish service as herein provided, or for any breach of the Grantee's obligations hereunder, if such failure or breach is caused by acts of God, labor troubles, riot, or any other causes or contingencies not reasonably within the control of the Grantee.

Section 11. VACATION OR RELOCATION. The Township may require the Grantee to vacate or relocate any portion of Grantee's facilities at the Grantee's expense if such vacation or relocation is necessary to secure the public health and welfare or is otherwise required by Grantor in the exercise of a governmental function.

Section 12. COMPLIANCE WITH LAWS. Grantee shall comply with all laws, statutes, ordinances, rules and regulations regarding the installation, construction, ownership or use of its facilities, whether federal, state, or local.

Section 13. EFFECTIVE DATE. Upon adoption, the Township Clerk shall deliver to Grantee a certified copy of this ordinance. Additionally, the Township shall publish this ordinance within thirty (30) days of its adoption and this ordinance shall take effect upon the day after the date of publication thereof, continuing for a term of thirty (30) years from that date; provided, however, it shall cease and be of no effect after sixty (60) days from its adoption unless within said period the Grantee shall accept the same in writing filed with the Township Clerk.

Upon acceptance and publication hereof, the ordinance shall constitute a contract between said Township and said Grantee.
