Treasurer's Report: Treasurer's report has been placed on file.

Communications: Communications have been placed on file.

Grant Updates: Brownfield, CDBG, DNR Trust Fund Grant – Clerk Pellow informed the Board that the Grant has now been signed. Pellow also stated that NEPA was still needed, but once complete, Habitat for Humanity will begin constructing the first home starting in the Winter. DPW Supervisor Champion said that he would like to look into purchasing the supplies needed for the water main before prices go up.

Third-Party Admin Decision – Clerk Pellow reviewed each of the Third-Party Administrator proposals with the Board. The proposal from FLB includes 60 hours of time for general tasks associated with the grant. FLB also had the highest score, at 87. The contract cannot be signed until permission is granted. The grant allows for \$27,000.00 in administration expenses with \$19,000.00 for FLB and the rest would go towards township employee wages. Pellow moved/VanLuven supported/PASSED by roll call vote; 5 Ayes, 0 Nays, 0 absent, to accept the proposal from FLB as the Third-Party Grant Administrator based on the higher scoring and the number of hours allotted towards general tasks due to the complexity of the grant.

Supervisor's Comments: N/A

Water Business: Well House; Backwash Drain for Well 2 – DPW Supervisor Champion informed the Board that Well 2 has been having issues with the backwash pecculating into the well and will need to be cleaned and/or replaced. Supervisor VanLuven suggested digging it out and replacing it or making it larger. Clerk Pellow asked what can be done with the sludge once it is emptied. Trustee Marietti suggested calling UP Environmental for removal and disposal. Marietti then suggested taking out the top 2 layers and installing a liner. DPW Supervisor Champion informed the Board that he was waiting on EGLE to return his call and needs direction from them before anything can be done. Champion will ask EGLE if the sludge can be dug out until a permanent solution can be made. Supervisor VanLuven suggested contacting an engineer to see if they have any ideas.

Well Treatment Estimate – The Board reviewed the Estimate from Kleiman for the well treatment in the amount of \$3,442.40. Pellow moved/ VanLuven supported/ PASSED; to pay \$3,442.40 to Kleiman for the well treatment.

Water Policy Amendment – The Board reviewed and discussed the changes to the Water Policy. Changes included a rise in Shut Offs/Turn On fees to \$50.00 (for each), 10% added to any unpaid balance once a renter or owner vacates the home. The Board discussed the possibility of adding a security deposit in the future to new home renters or owners if things do not improve with delinquent accounts. Pellow moved/ Marietti supported/ PASSED; to accept the changes to the Water Policy, going into effect during the next water billing cycle (September 2, 2026). A copy of the Water Policy is located at the Tilden Township Hall upon request.

Unfinished Business: Misc. Debris; Isis Delarye A1 Hauling – Office Admin Kinnunen informed the Board that A1 Hauling quoted the Township \$3,500.00 to clean and remove Delarye's property of the misc. debris. Clerk Pellow suggested coordinating with the Sheriff to have them present at the time of the cleaning. Marietti moved/ VanLuven supported/ PASSED; to pay A1 Hauling \$3,500.00 to remove the misc. debris from the Delarye property.

Township Board Meeting Table Purchase – Trustee Thibeault let the Board know that he was still having a hard time finding a table that would be adequate and fitting for the needs of the Board and Township. Tabled until the next meeting.

Final Kari Lane Payment Approval; MJ VanDamme – Supervisor VanLuven stated that Kari called and had some complaints about the ditching that was done on Kari Lane. VanLuven recommended not making the final payment. Pellow moved/ VanLuven supported/ PASSED; to withhold the final payment of \$3,964.92 to MJ VanDamme until the complaints are addressed.

Misc. Debris List; Letter Sent – The Board reviewed the Misc. Debris List and the updated pictures of the properties, taken by the Sheriff. Four residents are to receive citations due to failure to remove the misc. debris from their property. Sheriff to issue the citations.

Unfinished Business Continued: Landfill Haulers; Township Attorney – Clerk Pellow requested more time to inquire with the Township Attorney and with the local landfill. Tabled until the next meeting.

New Business: J. Larson Letter / Grant of Highway Easement –The Township received a bill from J. Larson, requesting \$620.21 payment for additional repairs he made to the ditch in front of his property on Southwood Drive. Clerk Pellow will be contacting the Township Attorney for guidance on the matter and stated that she would have no issue paying the bill if Mr. Larson was willing to sign the Easement for Southwood Drive. Both Trustee Marietti and Trustee Thibeault found it unnecessary to pay Mr. Larson based on their review of the property repair. Pellow inquired if MCRC were able to file for eminent domain. Supervisor VanLuven will call MCRC to find out. Tabled until the next meeting.

Job Descriptions; Deputies, Election & Grant Administrators & Office Administrator – The Board reviewed the updated job descriptions. Marietti moved/ VanLuven supported/ PASSED; to accept the updated job descriptions for the Deputies, Election & Grant Admins, and the Office Admin positions.

Resolutions (3) Salary Pay – Salary: Boards, Commissions and Appointees; A motion was made to accept the Resolution and a rollcall vote followed. Pellow moved/ VanLuven supported/ PASSED, to accept the Salary: Boards, Commissions and Appointees Resolution, upon a rollcall vote; 5 Ayes, 0 Nays, 0 Absent. Salary: Deputies; A motion was made to accept the Resolution and a rollcall vote followed. Pellow moved/ Thibeault supported/ PASSED, to accept the Salary: Deputies Resolution, upon a rollcall vote; 5 Ayes, 0 Nays, 0 Absent. Salary: Employee Wage & Benefit Package; A motion was made to accept the Resolution and a rollcall vote followed. Filbrandt moved/ Thibeault supported/ PASSED, to accept the Salary: Deputies Resolution, upon a rollcall vote; 5 Ayes, 0 Nays, 0 Absent.

Zoning Administrator – Planning & Zoning Administrator Jeremy Joki handed in his 2 week notice on August 4, 2026, for the position. Supervisor VanLuven will sign any Zoning Action Requests made in the meantime of looking to fill the position. The Township will put an ad in the local paper, as well as listing the position on the Township website.

Public Comment: DPW Supervisor Champion asked when the Garbage Contract was up for a new contract. Champion would like to request red garbage bins, along with the blue recycling bins, to be added into the renewed contract coming up.

Board Comments: Cold Snap – Clerk Pellow informed the Board that Cold Snap suggested moving the thermostat from the main hallway at the Township, to near the Supervisor's office. The heat vents were closed in all three offices and are now open. Cold snap will be check on the heat vents in both bathrooms and stated that nothing can be done about the condensation drain in the utility sink. Cold snap also suggested installing vents in the office doors to create a better flow of return air. The Township will post the vents installation on the Township website for quotes.

Board Comments Continued: National Mine Park Dugouts – A resident requested the dugouts be redone/repared due to deteriorating. The Township will post the dugout repair on the Township website for quotes, this funding for repairs will be taken out of Capital Outlay. Supervisor VanLuven also wants to inquire about putting fencing up near the dugout and bleachers to prevent anyone from being hit by a fly ball. DPW will contact Marquette Fencing for a quote.

Veterans Boards – Treasurer Filbrandt inquired about updating the Veterans Boards within the Township Hall. Office staff will call Globe Printing to inquire about new plaques for the Veteran's names.

Painting Hall Offices – Treasurer Filbrandt stated that Jodi Joki was doing a great job with painting the park buildings and requested permission to have Jodi paint the offices. Supervisor VanLuven stated that he did not see an issue with it.

Adjournment: The meeting was adjourned at 8:37 P.M. by Supervisor Fred VanLuven.

Deborah L Pellow, Tilden Township Clerk

As an MTA member, you belong to the largest community of local government officials in the state. We know our northern and U.P. townships can face unique challenges compared to their downstate counterparts. That's why we created our *UP North Summit*—allowing you to connect with your “Up North” colleagues, MTA staff and other municipal experts to discuss the latest issues impacting townships. You'll get two days of practical, real-world insights designed to cut through complexity and bring clarity to what matters most—from navigating legal pitfalls and avoiding costly missteps, to financial fundamentals and staying ahead of legislative changes.

Engaging, relevant and grounded in everyday township challenges, each session is built to help our northern Michigan and U.P. township leaders ask better questions, spot risks sooner and make more informed decisions for your community. Whether you're strengthening your foundation or fine-tuning your approach, this is your one-stop event for sharper thinking, stronger oversight and smarter governance.

Power of connection: Tap into the trifecta—expert presenters, value-added vendors and your fellow officials, each offer insights into the challenges you face. This learning opportunity includes time to connect with others who can help make your role as a township official more fulfilling. Educational sessions include:

Legislative Lowdown: Gain insights into the new fiscal year's state budget and the latest laws impacting your township. Hear about the priorities shaping the 103rd legislative session, what lies ahead for the remainder of the session, and how your involvement can help make a difference.
Led by MTA's Government Relations Team

Municipal Missteps: Sometimes the biggest lessons come from the biggest mistakes. Review legal landmines, unintended consequences and “wait ... can we do that?” moments that trip up townships. From well-intentioned decisions to costly oversights, we'll help you spot trouble early and avoid common pitfalls.
Led by Michael Bila, MTA Legal Counsel, Bauckham, Thall, Seeber, Kaufman & Koches, PC

Back to Basics Boot Camp, Where There Are No Silly Questions: Special meeting notices, Freedom of Information Act deadlines, meeting procedures—some questions come up again and again. Join us as we tackle the most frequently asked township questions. You'll get practical answers, useful reminders and a chance to have your own questions addressed.
Led by Michael Selden, MTA's Member Information Services Director

Turning Your Audit into Insights: An audit presentation should be more than flipping through financial statements and nodding along. Get an insider's take on the audit process to learn what questions you should be asking and what details deserve a closer look. Unpack who should be talking to whom and when, and turn your audit into a powerful tool for oversight.
Led by Rehmann Public Sector financial experts

Plot Twists in Planning & Zoning: Explore timely (and complex!) land use issues like renewable energy, data centers and short-term rentals, while gaining practical insight into defensible enforcement.
Led by Michael Bila

Financial Forum: A practical look at fiscal best practices, preparing for potential downturns and recognizing financial stress. Learn proactive strategies to maintain stability, respond to red flags and what to do if your township is already facing financial trouble.
Led by Michigan Department of Treasury's Local Audit & Finance Division

Meetings, Minutes & More with Mike: Meetings don't have to be painful, minutes don't have to be mysterious and the Open Meetings Act doesn't have to keep you up at night. Expect practical guidance, real-world examples and—knowing Mike—probably a story or two along the way.
Led by Michael Selden

Firehouse Focus: Designed to spark ideas and fuel better decision-making—get an update from the state Bureau of Fire Services on the hottest issues facing township fire departments.
Led by State Fire Marshal Thomas Hughes, Jr.

The Future You Fund: Whether intentional or not, every decision tells a story. So what story is your township telling? Move beyond “the way we've always done it” by rethinking whether your resources are reflecting the image you want for your community's future. Get practical strategies for spending with purpose.
Led by Cindy Dodge, Owner, LOR Consulting

Reviving Rural Infrastructure: Looking for affordable financing for your infrastructure project? Learn how townships can access low-interest loan financing to support infrastructure, public facilities, and essential services. Current program focus is on core projects like water, sewer, housing, public safety, fire and rescue, telecommunications, libraries and more.
Led by Dom Restuccia, Michigan State Director, USDA Rural Development

Taxing Matters: A Treasurer's Lightning Round: Packed with practical tax collection tips you can put to work right away. From deadlines and delinquent taxes to legal requirements, common pitfalls and everyday best practices, get insights you need to stay organized, informed and ahead of the game.
Led by Cindy Dodge

Subject: Request received: Spam Calls

Thank you for contacting the FCC's Consumer Inquiries and Complaints Center.

Your complaint about unwanted calls or text messages has been assigned Ticket No. 9064265.

The FCC is continually working to stop illegal calls and text messages from reaching you, including calls with spoofed caller ID. While the FCC is not able to stop every illegal call or instance of illegal caller ID spoofing, we are working with industry and consumer groups to develop policies and encourage technical solutions to address the problem and minimize the harms these calls and texts pose to consumers.

As we work to protect consumers, eliminate illegal calls and texts, and ensure a functioning system for legal callers and texters, we welcome the help you provide as you file your complaint and share details about your experience.

You may file additional complaints at any time. The information you provide allows us to spot trends and practices that may warrant investigation and enforcement action.

You can find tips on how to prevent unwanted calls and address caller ID spoofing, including instances where your number is being spoofed or your calls are being blocked or labeled, here: www.fcc.gov/robocalls.

The FCC has also published a Scam Glossary with descriptions of and tips for dealing with robocall, robotext, spoofing, and other scams facing consumers: www.fcc.gov/scam-glossary.

These tips include a "Call Blocking Resources" link for provider-specific advice on preventing unwanted calls.

We value your contribution to our continued work to combat unwanted calls and texts, with the goal of restoring your safety and peace of mind.

Description *

We started receiving a numerous amount of spam calls again last night (8.31.26). After our first complaint with the FCC, it took a few months to see any improving results, but when we did see improvements we had zero spam calls. Since yesterday afternoon, we have had a total of 16 spam calls in less than 24 hours.

Your description is important to understanding your situation. Do not include any sensitive information, such as SSN, DOB, driver's license numbers, medical history, etc.

Navigating the Minefield of Data Centers

Michigan Township Participating Plan Presents Regional Seminars on Data Center Zoning

Michigan's tax exemptions are drawing data center developer interest into the state with projects of unprecedented scale.

To help you understand the best practices for data center zoning, the Michigan Township Participating Plan (Par Plan) is hosting one-day seminars

Zoning approval remains entirely local, but if you aren't prepared to navigate the minefield of issues associated with data center site applications, just one step in the wrong direction could have explosive consequences for your municipality.

led by legal experts who will provide important information on how to:

- Adopt ordinances
- Apply Public Act 207
- Manage applications, concerns, and tax abatements
- And more!

There is no cost for Par Plan members to attend a seminar.

Registration is limited to municipal board members and planning commission members.

Save a Date

**November 10
Marquette**

**November 17
Mt. Pleasant**

**November 11
Gaylord**

**November 18

Zoning Administrator Certificate Program

Hybrid

This comprehensive program is designed to reduce legal risk for zoning administrators and communities. It is essential training for new and experienced zoning administrators, planners, consultants, code enforcement officials, and related administrative staff.

Participants must complete the Citizen Planner Program, or be recognized by the American Institute of Certified Planners (AICP), before starting this course.

The program covers the following topics:

- » Job descriptions, responsibilities, and ethics
- » Preparing files, reports, and record keeping
- » Interactions with other professionals and agencies and performing departmental duties
- » Legal issues
- » Application forms and review processes

- » Customer service and counter behavior
- » Inspections and violations
- » Reviewing site plans

The program includes a webinar; self-paced online learning modules; and in-person lectures, learning activities, and networking opportunities. Total instruction time is about 18 hours. To earn the Zoning Administrator Certificate, participants must complete the entire program and pass an open-book exam.

Find Out More

Ongoing training is essential for planning and zoning officials to help minimize legal risk and plan for a community's future! To learn more about or register for the courses described here, or to discuss hosting an in-person course in your community, contact:

Land Use Planning & Zoning Certificate Courses

MSU Extension offers a variety of land use certificate courses for appointed and elected planning and zoning officials, government staff, and interested community members.

In-person, self-paced online, and hybrid courses are available.

Citizen Planner Program

In Person

This course on zoning and planning roles, responsibilities, and best practices is suitable for new and experienced planning officials and interested community members. It is hosted several times a year across the state. Sessions meet once a week for six weeks. The three-hour sessions include lectures and hands-on learning exercises that cover:

- » **Understanding the planning and zoning context:** Learn the legal sources and limitations of local planning and zoning authority and explore your understanding of ethical decision-making.
- » **Planning for the future of your community:** Recognize the function and importance of a master plan, know the process for developing one, and its relationship to zoning.
- » **Implementing the plan with zoning:** Discover the importance of zoning, learn how

zoning is administered, and gain confidence in your zoning reviews, including site plans.

- » **Making zoning decisions:** Learn how to adopt and amend a zoning ordinance, understand the role of the zoning board of appeals, and learn about basic property development methods.
- » **Using innovative planning and zoning:** Strategize about placemaking and design-based solutions to address new challenges our communities face.
- » **Successfully fulfilling your role:** Strengthen your ethical decision-making skills, develop your public engagement toolkit, and gain insights on when to ask for help.

Participants who complete Citizen Planner have the option to earn the Master Citizen Planner credential.

Citizen Planner Online Course

Self-Paced

This online, self-paced version of Citizen Planner is designed for people who cannot attend an in-person program or who prefer to learn at their own pace.

The course is highly interactive, with engaging stories, videos, and activities. Most participants complete the course in about 15 hours.

Zoning Board of Appeals Online Certificate Course

Self-Paced

This course covers the roles and responsibilities of the zoning board of appeals (ZBA),

effective decision-making, and due process. The curriculum features ZBA-specific content, engaging activities, case studies, and the latest Michigan case law.

The self-paced course is designed for local government ZBA members, local government staff, managers, municipal attorneys, and interested community members. The course includes six modules that can be accessed in any order:

- » Understanding basic ZBA roles and responsibilities
- » Effective decisions and ordinance interpretations
- » Hearing appeals of administrative decisions
- » Issuing variances from ordinance standards
- » Nonconformities and other responsibilities
- » Circuit court review and standards

Most participants complete the coursework in about seven hours.

Equipment Needs

Participants in courses with online components will need an internet connection and a computer or internet-enabled mobile device. Larger screens will provide a better viewing experience.

Certificates of Completion

To earn a course certificate, participants must attend and complete all modules.

GRANT UPDATES AUGUST-SEPTEMBER 2026

CDBG

A new purchase agreement with Habitat was made that encompasses only the two homes funded under the CDBG grant. It contains the language needed from MSHDA and was approved for use. The agreement was forwarded to Deanna at Habitat for their review and signature.

The NEPA review is still underway. After it is complete there will be a 15-day period for public notice and a 15-day period after that for state objection before we can proceed with the construction activities.

Despite having chosen the TPA at the last meeting, MSHDA is requiring more documentation in form of a follow up questionnaire to further solidify Tilden's choice. The follow up questionnaire has been sent to Lenore at MSHDA for approval and feedback before being sent to each TPA that bid for follow up.

Brownfield Authority

NEPA review is still in process. There was a set back with SHPO (State Historic Preservation Office). They are requesting further documentation as well as an archaeological survey. Paul Jackson (Fishbeck) and Antonio Adan (Landbank) are assisting with the demolition documentation that they are requesting. There is also dispute as to whether or not an archaeological survey is needed, will need to see what response comes of the submitted documentation.

MISCELLANEOUS DEBRIS PROCEDURE

PURPOSE

As early as possible in the spring and continuing through the fall the Township Board shall assign a Board member and/or the Sheriff to periodically tour the Township and take pictures of any property that may be in violation of the debris ordinance.

The Township Supervisor shall review any possible violators before the next regular monthly meeting and recommend to the Board which properties are in violation of the ordinance. The Township Board meets on the third Tuesday of each month, unless otherwise published. The Board shall make the final decision on who will get notified of their violation.

A letter with a copy of the procedures and copies of any pictures shall be sent to the property owner by registered mail stating that they have 30 days from the date of the letter to bring their property under compliance.

Any questions or concerns pertaining to the letter and inclusions shall be directed to the Township Supervisor.

SCHEDULED TIMELINE

After the 30 days have passed the Supervisor or designee shall re-visit each property and re-take pictures to ensure that compliance has been done. These pictures shall be presented to the Board at its next regular monthly meeting.

If said property is still not in compliance or there has not been a substantial improvement and continued improvement towards compliance with the ordinance the Board will order the Sheriff to begin issuing citations to the property owners. The first citation shall be in the amount of \$300.00. (Approximately 30 days)

If after one more week the property is still in non-compliance and there are no substantial improvements, the Sheriff shall issue a second citation in the amount of \$500.00. (Approximately 37 days)

In the event the property does not come into compliance within one additional week the property owner shall be issued a third citation in the amount of another \$500.00. (Approximately 44 days)

Once the third citation is issued and the property is still in non-compliance the Board shall begin proceedings through the Marquette County Court system to remove such miscellaneous debris and have the cost of the removal, as well as any other costs associated with bringing the property into compliance, invoiced to the property owner and/or added to the next winter tax bill. See MCL 117.4r et. seq.

CITATIONS

First Citation: 31 days \$300.00

Second Citation: 37 days \$500.00

Third Citation: 44 days \$500.00

MARQUETTE COUNTY LANDFILL - GUIDELINES FOR WASTE DISPOSAL

Landfill hours are: 7:00 a.m. to 3:00 p.m. Monday through Friday

ALL WASTE MUST BE GENERATED FROM TILDEN TOWNSHIP,

MARQUETTE COUNTY ONLY

ALL LANDFILL RULES AND REGULATIONS APPLY TO HAULER

ALL LOADS MUST BE TARPED. NO EXCEPTIONS.

Tarps prevent debris from blowing out of the loads prior to arriving in the dumping area. Loads will be turned away at the scale if it is not tarped. Leave your load tarped until you arrive at the designated dump site.

Upon Arrival: Stop COMPLETELY before SLOWLY driving onto the scale. Wait until the vehicle in front of you is completely off of the scale.

PARK vehicle on scale. Make sure vehicle is within the scale boundaries. This includes your truck and trailer.

LEAVE vehicle on scale. Go into the office to give your information to the scale operator.

Stay in line! Dump in the order that you came across the scale; do not cut in front of trucks that are waiting to dump. Stay in your vehicle while waiting to dump.

Dump between the "X" signs, not on the "X" signs.

Charges will be assessed to loads dumped in the wrong locations.

Come back on to the scale after dumping or you will be charged the entire weight of your truck and trailer.

SAFETY REMINDERS:

SPEED LIMIT ON THE MCSWMA PROPERTY is 15 MPH.

NO SMOKING is permitted on MCSWMA property.

LEAVE CHILDREN AND PETS AT HOME FOR THEIR SAFETY. NO OPEN TOE OR DRESS SHOES, STEEL-TOE BOOTS recommended.

STAY AWAY from all equipment...Do not walk or drive near equipment. Do not pass landfill equipment on Authority property. Landfill equipment has the right of way.

STAY OUT of trash/waste for your safety – **NO SCAVENGING IS ALLOWED.**

LEAVE ANIMALS (birds) alone.

The Following Waste is Prohibited in the Landfill:

Tires: see schedule of fees;

Yard/Compost Waste: see schedule of fees;

Refrigerant Devices: see schedule of fees;

For more information about prohibited waste see the Schedule of Fees.

WATER POLICY (Revised Version 8.18.26)

PURPOSE

To establish guidelines for Tilden Township for, but not limited to, water rates, billing, delinquent bills, shut off notices and frozen water lines for the water system.

Water Rates

Water Bond Base Rate is charged to all serviceable properties. Definition of a serviceable property is one that has a "curb-stop", shut off valve and is able to have water service even if the property owner chooses against having the service. Monthly fee is \$20.00.

Water Service Base Rate is charged to all properties currently using the water service. Monthly fee is approved annually by the Water Rate Proposal rate sheet.

Commercial Customers will be charged the same as residential customers increased by a REU, Residential Equivalent Unit. Dyno-Nobel is currently our only commercial water consumer and has a 4" service which has a 16.667 (REU) factor. This is common practice as they have the ability to consume much more water with the 4" service line versus residential customers who have a ¾" service line.

Water Service Usage Rate is charged to all properties currently using the water service. Monthly rate is \$6.62 per one thousand gallons which is equivalent to \$0.00662 per gallon. Water meters will be read every first Wednesday of the month. Usage will be charged on every gallon used per the water meter reading.

Water Shut Off/On Fees for any reason, whether delinquent or requested, shall be \$50 each.

Annual Increases shall be 2.5% set by the Township Board effective April 1st each year.

Water Billing Process

Water bills shall be calculated and sent by the first Friday following the first Wednesday of every month. Customers shall have 30 days to pay the water bill. After 30 days and during the next month billing cycle, unpaid accounts will be charged a late payment penalty of 10% on any unpaid balance. Customers that are delinquent after 30 days will be mailed a "Shut-Off Notice" and invoice. If payment arrangements are not communicated and approved by the Treasurer and no payments are received within 10 (ten) business days of this shut-off notice, the water will be shut off with no further notice. Water will not be turned back on until the account is paid in full including the fees to turn the water off and back on. No exemptions will be made to this policy unless a matter is brought to the attention of the Township. Once the account has reached a balance of \$350 delinquent and not paid in full by October 1st of each year the balance will be added to their Winter tax bill.

Hydrant Rental

The Fire Fund shall pay a monthly rental/maintenance fee of \$1500 per month for the fire hydrants or \$18,000 annually. There are currently 47 fire hydrants on the water system.

Insufficient Funds

Customers shall be charged a \$25 fee for any check returned for insufficient funds and a \$10 fee for any re-deposited checks.

Frozen Water Lines

Refer to the Tilden Township Policy on Water Line Thawing for a description of services and fees associated with Frozen Water Lines.

WATER POLICY

PURPOSE

To establish guidelines for Tilden Township for, but not limited to, water rates, billing, delinquent bills, shut off notices and frozen water lines for the water system.

Water Rates

Water Bond Base Rate is charged to all serviceable properties. Definition of a serviceable property is one that has a "curb-stop", shut off valve and is able to have water service even if the property owner chooses against having the service. Monthly fee is \$20.00.

New Renters and/or Home Owners

All new home owners and or renters will be required to submit a security deposit of \$150 that will be held until

New Water Service

Installing new service means getting a curb-stop shut-off valve to the property. This shall be done by the Township at our expense. Service lines from the shut-off to the premise are the responsibility of the customer for new services and existing services. These lines shall be kept in good repair at all times. If a customer's service line is determined to be leaking, they will be notified and ordered to replace or repair such line within a given amount of time. Failure to do so will result in water service being suspended shut-off with fees applicable, until repairs are made.
